## Same technology – same great performance

The application may vary but wherever there is a requirement for high performance audio, Tannoy's Dual Concentric™ speaker technology delivers.

Chosen for the world's tallest building and countless other prestigious installations globally, revered by professional recording studios and music venues worldwide, the same trusted audio technology is at the heart of Tannoy's Revolution loudspeaker range; a dynamic new blend of design and performance which is set to revolutionise music and movie entertainment at home.

Sumptuously finished in real wood veneers, the slim and elegant Revolution models provide the emotion, scale and drama of much larger designs.
